### Latest Version

We are constantly reviewing our products. New material is added and old material is revised. Free updates are available for 90 days after the purchase. You should check your member zone at VisualExams and update 3-4 days before the scheduled exam date.

Here is the procedure to get the latest version:

1. Go to <http://www.visualexams.com/>
2. Log in the **User Center**
3. The latest versions of all purchased products are downloadable from here. Just click the links.

### Feedback

If you spot a possible improvement then please let us know. We always interested in improving product quality.

Feedback should be send to [Visualexams@hotmail.com](mailto:Visualexams@hotmail.com). You should include the following: Exam number, version, page number, question number, and your login Account.

Our experts will answer your mail promptly.

### Explanations

This product does not include explanations at the moment. If you are interested in providing explanations for this exam, please contact [Visualexams@hotmail.com](mailto:Visualexams@hotmail.com).

### Features

- Comprehensive questions with complete details
- Instant Downloadable in PDF form.
- Verified Answers Researched by Industry Experts
- Questions accompanied by exhibits.
- Drag and Drop questions as experienced in the Actual Exams.
- These questions and answers are backed by our GUARANTEE.
- Questions updated on regular basis.
- Like actual certification exams our product is in multiple-choice questions (MCQs)

**Commitment to Your Success: At VisualTestExam.com, we are committed to you ongoing success. Our exams and questions are constantly being updated and compared to industry standards.**

Want to earn a Microsoft certification like MCSE, MCSE 2003, CCNA, CCNP? Thinking about getting an A+ or CCSP?

A, CCSP or Network+ Certification with less effort and time. You will be astonished at the theoretical and practical knowledge you will acquire in such a short period of time using our Certification Training Products. Our Study material will enable you to pass your Microsoft, Your Cisco and any other certification on the very first attempt.

## **Guarantee**

Visualexams provides the most competitive quality of all exams for the customers, we guarantee your success at the first attempt with only our Certification Question&Answers, if somehow you do not pass the exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!

1. Which three features are only supported on the Switch 5500G-EI switch models? (Choose three.)

- A. Port-based VLANs
- B. 24 or 48 10/100/1000 Mbps ports
- C. PoE upgradeable power supply unit
- D. Hot-swappable Application Module Slot
- E. Four GBIC Small Form-factor Plug-in (SFP) ports

**Answer:** BCD

2. Using 3Com's XRN technology, you can mix Switch 5500-SI and Switch 5500-EI model switches to create a single switch stack.

- A. True
- B. False

**Answer:** B

3. Which Switch 5500 model(s) supports a 96 Gbps full-duplex XRN stacking connection?

- A. Switch 5500-SI
- B. Switch 5500-EI
- C. Switch 5500G-EI
- D. All of the above

**Answer:** C

4. Which two are benefits of the Switch 5500 XRN Distributed Device Management (DDM) support? (Choose two.)

- A. Supports up to 12 switches in a single stack
- B. Creates a 12 Gbps full-duplex link between switches
- C. All switches within a stack act as a single logical device
- D. Resilient XRN architecture provides management access if any switch fails in a stack

**Answer:** CD

5. Which two are Layer 2 features of the Switch 5500 family? (Choose two.)

- A. Rapid Spanning Tree Protocol (RSTP)
- B. User definable MAC table aging period
- C. Multiple Spanning Tree Protocol (MSTP)
- D. GARP Multicast Registration Protocol (GMRP)

**Answer: AB**

6. The Switch 5500 allows VLANs to be automatically assigned based on user credentials or on the MAC address of the device.

- A. True
- B. False

**Answer: A**

7. Which two are Layer 3 features of the Switch 5500-EI and 5500G-EI? (Choose two.)

- A. Dynamic IPX routing
- B. Virtual Router Redundancy Protocol (VRRP)
- C. Multicast routing PIM Sparse and Dense Mode
- D. Static routes for routed environments where no routing protocol is used

**Answer: CD**

8. Which Layer 3 protocol is supported on the Switch 5500-SI?

- A. RIP 2
- B. OSPF
- C. VRRP
- D. PIM Dense Mode

**Answer: A**

9. Which two are Quality of Service (QoS) features of the Switch 5500 family? (Choose two.)

- A. Configurable queue processing
- B. Eight hardware queues per port
- C. Eight hardware queues per switch

D. Queue priority is based only on First In First Out (FIFO) algorithm

**Answer: AB**

10. The Switch 5500 supports multiple runtime and configuration files in its flash file system.

A. True

B. False

**Answer: A**

11. The Switch 5500 supports Simple Network Management Protocol (SNMP) V1, V2 and V3.

A. True

B. False

**Answer: A**

12. What is a purpose of the Switch 5500 automatic VLAN and QoS assignment?

A. Preconfigures the port with the VLAN and QoS configurations

B. Always applies the administrative configuration to the port at login

C. VLAN and QoS profile are supplied by the RADIUS server when a user logs on

D. Dynamically creates a new VLAN using RADIUS Authentication of Device Access (RADA) specifications

**Answer: C**

13. What is the security benefit obtained when the Switch 5500 is integrated with Tipping Point IPS?

A. Prevents unauthorized users from logging onto the network

B. Illegal activity or infected machine can be automatically isolated or blocked

C. Automatically works with IEEE 802.1X Network Login and switch ACLs to determine user authorization and access authority

**Answer: B**

14. The Switch 5500 RADIUS Authentication of Device Access (RADA) is designed to authenticate users based on MAC address without the requirement for IEEE 802.1X client on the attached devices.

A. True

B. False

**Answer: A**

Visualexams.com was founded in 2006. The safer,easier way to help you pass any IT Certification exams . We provide high quality IT Certification exams practice questions and answers(Q&A). Especially Adobe, Apple, Citrix, Comptia, EMC, HP, HuaWei, LPI, Nortel, Oracle, SUN, Vmware and so on. And help you pass any IT Certification exams at the first try.
