Latest Version

We are constantly reviewing our products. New material is added and old material is revised. Free updates are available for 90 days after the purchase. You should check your member zone at VisualExams and update 3-4 days before the scheduled exam date.

Here is the procedure to get the latest version:

1. Go to <http://www.visual exams.com/>
2. Log in the **User Center**
3. The latest versions of all purchased products are downloadable from here. Just click the links.

Feedback

If you spot a possible improvement then please let us know. We always interested in improving product quality.

Feedback should be send to Visual exams@hotmail.com. You should include the following: Exam number, version, page number, question number, and your login Account.

Our experts will answer your mail promptly.

Explanations

This product does not include explanations at the moment. If you are interested in providing explanations for this exam, please contact Visual exams@hotmail.com.

Features

- Comprehensive questions with complete details
- Instant Downloadable in PDF form.
- Verified Answers Researched by Industry Experts
- Questions accompanied by exhibits.
- Drag and Drop questions as experienced in the Actual Exams.
- These questions and answers are backed by our GUARANTEE.
- Questions updated on regular basis.
- Like actual certification exams our product is in multiple-choice questions (MCQs)

Commitment to Your Success: At VisualTestExam.com, we are committed to you ongoing success. Our exams and questions are constantly being updated and compared to industry standards.

Want to earn a Microsoft certification like MCSE, MCSE 2003, CCNA, CCNP? Thinking about getting an A+ or CCSP?

A, CCSP or Network+ Certification with less effort and time. You will be astonished at the theoretical and practical knowledge you will acquire in such a short period of time using our Certification Training Products. Our Study material will enable you to pass your Microsoft, Your Cisco and any other certification on the very first attempt.

Guarantee

Visualexams provides the most competitive quality of all exams for the customers, we guarantee your success at the first attempt with only our Certification Question&Answers, if somehow you do not pass the exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!

1. Which zoning enforcement types do Fibre Channel switches provide to protect against unauthorized access? (Select two.)

- A.access authorization
- B.port-zoning authentication
- C.RADIUS server authentication
- D.directory access authorization
- E.soft-plus zoning by login authentication

Answer: AE

2. How many host ports per controller are on the EVA4400 with the embedded Fibre Channel port switch?

- A.4
- B.8
- C.10
- D.12

Answer: C

3. Under ideal operating conditions, what is the maximum supported, long-wave transceiver distance with B or C-Series Switches and 4Gb SFPs?

- A.4km
- B.10km
- C.35km
- D.100km

Answer: B

4. In B-Series virtual fabrics, which feature allows you to access devices in another virtual fabric?

- A.Inter-VSAN Routing
- B.Inter-Fabric Routing
- C.Cross-VSAN Routing
- D.Cross-Fabric Routing

Answer: B

5. Which SAN services are provided by the HP StorageWorks 400 Multi-Protocol Router (MPR)? (Select two.)

- A.ISL zoning
- B.FCIP tunneling
- C.IP-IP subnet routing
- D.iSCSI-FC translation
- E.FC-FC subnet routing

Answer: BE

6. Where do you find the essential security elements in B-Series Fibre Channel switches running firmware v5.3.x?

- A.base Fabric OS
- B.Secure Fabric OS
- C.ISL Trunking manager
- D.switch port web interface

Answer: A

7. What is an advantage of iSCSI when compared to Fibre Channel?

- A.less protocol overhead
- B.no additional customer knowledge required
- C.easily provisioned through HP Storage Essentials SRM
- D.existing Ethernet infrastructure can be used to create a SAN

Answer: D

8. John, your customer, has a SAN built on B-Series switches. He calls you because he heard about a new feature which allows him to distribute administrator responsibilities among his staff. After research, what is your recommendation to John?

- A.Upgrade to Secure Fabric OS version 5.2.
- B.Purchase the Advanced Administration license.
- C.Implement Distributed Administration through Fabric Manager.
- D.Implement Admin Domains available since Fabric OS version 5.2.

Answer: D

9. Which application can be used to set up network shares and provision iSCSI storage?

- A.Brocade Fabric Manager
- B.HP Data Protector Express
- C.HP CommandView EVA 7.0
- D.HP All-in-One Storage Manager

Answer: D

10. A customer is expanding a SAN to 400 switch ports, but has limited rack space. Which single Director switch model is recommended?

- A.Cisco MDS 9509 Director
- B.Cisco MDS 9513 Director
- C.HP StorageWorks 4/500 SAN Director
- D.HP StorageWorks 4/256 SAN Director

Answer: B

11. Which SAN switch management tool, previously only available as an embedded version, is now

separately available on CD?

- A.Emulex EZpilot
- B.McData HAFM
- C.Cisco Fabric Manager
- D.Brocade Fabric Watch

Answer: C

12. Which tool helps you design a SAN that includes HP Blade servers?

- A.SANsurfer
- B.SAN Visibility
- C.SAN Designer
- D.Blade Designer

Answer: C

13. A customer wants to replicate data between two sites 200 km apart. Which HP SAN product would you recommend?

- A.MPX 100
- B.MPX 110
- C.MPR 100
- D.MPR 110

Answer: B

14. A customer decides on HP c-Class BladeSystem as a corporate standard for servers. You must implement SAN integration of the blades into a very large fabric. The customer is concerned about the maximum switch count. Which interconnects will you recommend? (Select two.)

- A.QLLogic 4Gb Fabric Switch
- B.Cisco MDS 9124e Fabric Switch
- C.Emulex 4Gb Advanced SAN Switch
- D.HP 4Gb Virtual Connect Fibre Channel Module
- E.Brocade 4Gb SAN Switch in Access Gateway mode

Answer: DE

15. What are benefits of logical fabrics? (Select three.)

- A.port count reduction
- B.easier administration
- C.fabric service isolation
- D.increased performance
- E.fault propagation minimization
- F.device sharing across logical fabrics

Answer: CEF

Visualexams.com was founded in 2006. The safer,easier way to help you pass any IT Certification exams . We provide high quality IT Certification exams practice questions and answers(Q&A). Especially Adobe, Apple, Citrix, Comptia, EMC, HP, HuaWei, LPI, Nortel, Oracle, SUN, Vmware and so on. And help you pass any IT Certification exams at the first try.
